

Statewide Shooting Range Update
For the Arizona Game and Fish Commission
January 18, 2008
Phoenix, AZ

Northern Arizona Shooting Range

- **Forest Service Coordination** - The Department has scheduled a meeting with the Coconino National Forest on January 17th to further discuss the proposed timeline for the feasibility analysis and ensuing NEPA process.

- **ASRPA Coordination** – Department staff have started working with representatives of the Arizona State Rifle and Pistol Association (ASRPA) to develop a plan that will facilitate communication and support for the Northern Arizona Shooting Range, as well as, other statewide shooting range issues.
