

Arizona Game and Fish Department

Statewide Shooting Range Update

June 22, 2007

Northern Arizona Shooting Range

Proposed Site at Willard Springs

- Geotech survey has been completed
- Results indicate no limiting features for range development

Northern Arizona Shooting Range

- Correspondence with the Coconino NF regarding the use of an SUP suggested it would be difficult to execute this permit for the Willard Springs site.
- Met with members of the Coconino Co. Board of Supervisors.
- Met with members of the Arizona Congressional delegation.
