- **Land Exchange** - On Sept 24th, the Department received comments back from the Coconino National Forest (CNF) on the Department's Proposed Action for a land exchange at Willard Springs. The Department responded on September 28th with an addendum to the original Proposed Action. The final Proposed Action (including addendum) has been received in both the CNF and Regional offices. The Regional Forester has committed to making a decision on the Proposed Action prior to his reassignment to Ogden, Utah in November.
