Northern Arizona University
du Bois Center, Fremont Room

Flagstaff, Arizona

The Arizona Game and Fish Department (AGFD) has begun the planning efforts associated with a public shooting range facility for the Flagstaff area. Flagstaff is the largest city in Arizona without a public shooting facility. Shooting enthusiasts and law enforcement agencies have to either travel to cities that have shooting facilities or use local areas such as cinder pits, hillsides, and stock tank berms.

This is the initial open house for this project. The purpose of the open house is to notify, inform, and receive input from the general public in the Flagstaff area on the proposed shooting facility. Exhibit boards will be displayed for viewing showing project information. AGFD and consultant representatives will be available to discuss the project and answer questions.

If you have any questions regarding this project or to submit comments in writing, please contact Michael Book, Logan Simpson Design Inc., 51 West Third Street, Ste. 450, Tempe, AZ 85281 (phone: 480-967-1343, fax: 480-966-9232, or e-mail: mbook@lsdz.com).
